Dear Parent/Carer,

Your child _____ has qualified for the Pupil Premium for this year. This means that school receive additional funding to support your child's learning in school.

Schools are given pupil premium for:

- Children who have qualified for free school meals at any point in the past six years.
- Children who have been looked after under local authority care for more than one day.
- Service children.

Please be aware that the school only receives funding for the children that are on the school roll on the January census day. Any children who move schools after this date will not receive funding at their new school until the following January census triggers the funding for the following April. (i.e. a child arriving at Norwood in March 2015 would not trigger funding at our school until April 2016)

The way in which the funding will be used differs from child to child as it is focused upon each individual child's needs.

Some of the ways in which the funding might be used are:

- Purchasing resources to support your child's learning
- Adult support within class
- Subsidised clubs, trips and visits
- Purchasing an intervention resource
- Adult group support with an intervention strategy
- Resources to support positive lunchtime play
- Adults to support positive lunchtime play

If you wish to find out more, please follow the link below or phone the school office and ask to speak to Mrs Cockerill.
