Dear Parents/Carers

Thank you for attending our consultation evenings this week and taking the opportunity to further develop our home school links. If you have not already done so, please can you complete the questionnaire shared with you during your appointment. The feedback from any questionnaires enables our school to develop and improve further.

Any previous parent/carers questionnaires have been reviewed and analysed with relevant feedback fed into our school development plans. Results of previous questionnaires and surveys can be found by following this link <http://www.norwood-school.co.uk/page/default.asp?pid=107>

Ofsted have also developed a way for parents and carers to express their views about this school at any time of the school year. Parent View has replaced the paper questionnaires that inspectors used to circulate at the time of a school inspection to gather parents' views.

To complete the short questionnaire at <http://parentview.ofsted.gov.uk/> you simply need an email address and a password to register. Once your login has been activated, it only takes a few minutes to choose answers to 12 short questions about the school, such as how well we deal with bullying, the quality of teaching, whether the level of homework given to your child is appropriate, and whether you would recommend the school to other parents.

Inspectors will consider the views shared on this site alongside other evidence when making a judgement about a school. It is also useful for us because it gives valuable information about what you think of the school and helps us to improve.

Please remember, you can give your opinion of your child's school through Parent View at **any time** during the school year.

If you do not have a computer or an email address or if you would like help to use Parent View, please come into school and ask at reception.

Thank you for your on-going support in ensuring that our children receive the best time at Norwood.

Yours faithfully

Mrs D Reynolds
Head Teacher
