Dear Parents/Carers

Please find attached our most recent Ofsted report. The inspection took place on Tuesday 23rd and Wednesday 24th October and was carried out by two experienced Ofsted Inspectors.

Throughout the two days the inspection team looked at a range of school based issues such as Standards of Attainment and Achievement, Behaviour and Safety, Leadership and Management and the Quality of Teaching.

We are one of the first schools locally to have an inspection based on the September 2012 framework. This Ofsted system that has recently been in the news due to the *short notice* received by schools (we were informed at noon the day before) and the much more focused and stringent criteria applied to inspections.

We are very proud of our report which graded all elements of our school '**good**', the second highest possible grading. This report is a credit to the children, staff and parents/carers of our school community. We look forward to working with you in the future to work towards achieving outstanding grades.

Yours sincerely

Mrs D Reynolds
