Dear Parents/Carers

Norwood School opens its doors from 8.45am – 8.55am each morning to enable children to arrive at school and go straight into their classes. Children should not be arriving early on site, staying on the playground or playing games. Children have been reminded of this in assembly; however we ask that you support school and remind your children of this too.

Also, please can adults arriving to collect children at the end of the school day refrain from entering school site until 3.05pm at the earliest. As the weather continues to remain warm and pleasant our children may be outside of the school building carrying out their learning outdoors.

Play equipment should not be used before or after school by Norwood children or younger siblings.

These measures are in place to keep all of our school community safe and well at all times, something I am sure you will support school with.

Yours sincerely

Mrs D Reynolds
Head Teacher
