Dear Parents/Carers

It has come to the attention of the Governing Body of Norwood Primary School that rumours regarding the Head Teacher are being shared through social media sites and other means.

These rumours are entirely unsubstantiated and have no basis in fact.

We acknowledge that there has recently been a situation that has required the attention of the Governing Body and Head Teacher, however this has now been resolved. We would like to make it extremely clear that this situation was not in any way related to an allegation about or against the Head Teacher.

The Governing Body would therefore like to make clear that it will not tolerate the continuation of these rumours and would be prepared to take legal action if necessary.

We would like to request your cooperation in ensuring that these rumours are curtailed and should you be aware of anyone sharing comments which you consider to be inappropriate, please bring this to the attention of the Governing Body so that appropriate action can be taken.

I am sure that you will agree we want our school to be reflected well in the community and any gossip and untrue rumours are to the detriment of us all.

Yours faithfully

Mr W Fenwick  
Chair of Governors
