As part of our **Art Explorers** and **Roald Dahl** workshops we are offering the opportunity for children to take their Discover Arts Award!

The Discover Arts Award is wonderful chance for children will find out about other artists and get creative making their work and share their experiences with others, gaining a certificate at the end.

Did you know that there are 5 different levels to the Arts Award for young people aged between 5 and 25?

Discover and Explore are perfect for young children who are just starting to learn about different art forms, while Bronze is worth a Level 1 National Qualification, Silver is the equivalent of a GCSE and Gold equates to an AS Level.

To find out how to get involved in the Arts Award, please email: arts@vivacity-peterborough.com

Vivacity Arts are looking for volunteers to help with its very varied arts programme. We run a dynamic programme of contemporary arts and learning and engagement workshops within the City Gallery. We also stage a summer programme of events bringing performers and artists from all over Europe with dance, music and circus.

Volunteering is a fantastic way to meet new people, gain skills, develop your CV and build work experience with a busy and friendly arts team. You will have great fun while helping to make this year's programme happen. We are looking for enthusiastic and reliable volunteers from all ages and backgrounds, no particular skills are needed as we can give you training.
