

Reading and Writing

The children will continue to be taught reading sounds through Read Write Inc, and reading and writing through daily Guided Reading. The children complete spelling, grammar, punctuation and writing activities across the week, as well as discussing the book in depth. Next term's focus will be a variety of traditional tales such as The Three Little Pigs, but also alternative versions that explore the characters further.

Dates for your diary:

Monday 6th June – we would like to invite the children to come dressed as their favourite Fairytale or traditional tale character for the day. If they have the accompanying story, this would be lovely to bring in as well.

The week beginning **Monday 13th June** will be when every child in Year 1 completes their Phonics Check. This will be with Mrs Burnham, and will not be labelled as a 'test' in front of the children – they are used to doing this type of activity in school, and therefore should not be worried or concerned by it. You will receive the results of whether or not your child has passed this check within your child's end of year report.

At **2.45pm** on **Monday 11th July** we would like you to join us so we can share with you our learning for the term.

PE- multi-skills/country dancing

Please name ALL PE kit, and have it in school EVERY day.

Any earrings **MUST** be removed or covered with plasters sent from home, otherwise children cannot take part.
